M.L. Dubernet, J. Bureau

LPMAA, UMR7092 CNRS, Université Pierre et Marie Curie

VOPARIS, Observatoire de Paris

WP1 - Report

- Administrative Documents: WIKI-WP1-T1

- Boards= VEB, VPB, SAB: WIKI-WP1-T2

- New Partners

  - LUTH: E. Roueff, F. Le Petit : Standards (WP6), Policies (WP2), Grid (WP5)

  - KAERI: Y. Rhee : Dissemination in Asia (WP3), KAERI DB (WP4), Standards (WP6)

- Consortium Agreement finalized and to be signed

- Amendments to Grant Agreement (LUTH, KAERI, misc)

WP1 – Report (II)

- Nomination of Project Manager: J. Bureau
  - LPMAA, Scientific Computing Engineer, PhD in Atmospheric/Solar Physics
  - WP1: WIKI, Risk Registry, Self-evaluation Matrix, Plans and Reporting
  - WP4, WP5, WP6, WP7, WP8 = Supervision of LPMAA developers

WP1 – Reports & Plans

- Cycle 1 Plans on main website/Wiki

- Cycle 2 Plans to be defined in April-May

- Reporting: Scientific/Financial in June

- Approval by VPB End of May, End of June

- 1rst Annual Review: 1rst of October

- Reporting: Time/Work Sheets to be filled at all nodes by all participants to VAMDC project (both contributed and requested to EU)

WP1 – Wiki

Currently located at

http://voparis-twiki.obspm.fr/twiki/bin/view/VAMDC

will move to the vamdc.eu website

Every registered user can access information, modify pages, upload/download documents. It includes:

- working space to share information pertaining to ongoing work:

  ➢ workpackage specific topics, « Developers General Working Pages », ..., must be used to share information, to ask for information.

-

WP1 – Wiki

- publishing space to put reports, minutes of conferences

  - ➢ Presentation material (external conferences, meetings), should be uploaded in the « Talks and Presentation » topics

  - ➢ Materials related to Project meetings should be uploaded in the « Project meetings » topic

  - ➢ Minutes of internal meetings and teleconferences should also be upload on the relevant topic.

- Space for administrative documents

  - ➢ Time sheets, self evaluation matrixs, should be uploaded for every person involved by every node on the « NodeReports » topic (WP1/T2)

WP1-Wiki: example pages

Project Working Pages

The project is divided into 8 workpackages :
- WP1 : MGT - Management
- WP2 : NA1 - S/T Coordination of the Network (includes EPT telecons)
- WP3 : NA2 - Dissemination and Training
- WP4 : SA 1 - Infrastructure Deployment
- WP5 : SA 2 - Support to the Infrastructure
- WP6 : JRA1 - Interoperability
- WP7 : JRA2: Publishing Tools
- WP8 : JRA3: New mining and Integration Tools

Developers General Working Pages

Main page for sharing ideas and results is CodingResources

Project Planning

- VAMDC Project Plans : see here for the overall VAMDC project plan and also the per WP plans for each of the VAMDC Cycles.

Project Meetings

- Kick-Off : Kick-Off Meeting, 26th-27th October 2009, Paris
- Cycle One Project Meeting : April 2010, Open University
- Cycle Two Project Meeting? : Spring 2011, The University of Cambridge
- Cycle Three Project Meeting? : Spring 2012, Vienna
- Cycle Four Project Meeting? : December 2012, Paris

Talks and Presentations

This Talks and Presentations page holds presentation materials given by members of the VAMDC at various meetings.

Internal meetings and teleconferences

WP1-Wiki: example pages

WP1- Wiki: possible evolutions

Currently: all pages are accessible to every registered users. WIKI impossible to reach for external people.

Proposed: introduce finer access control, pages could be accessible to every registered user, group of users, from the outside.

Other suggestions are welcome so that the WIKI remains a central working place to share information !

WP1- Mailing lists

vamdc.developer@sympa.obspm.fr: VAMDC list for developers' interaction

vamdc.ept@sympa.obspm.fr: private mailling list for VAMDC project

vamdc.wp1@sympa.obspm.fr: MGT - Management

vamdc.wp2@sympa.obspm.fr: NA1 - S/T Coordination of the Network

vamdc.wp3@sympa.obspm.fr: NA2 - Dissemination and Training

vamdc.wp4@sympa.obspm.fr: SA 1 - Infrastructure Deployment

vamdc.wp5@sympa.obspm.fr: SA 2 - Support to the Infrastructure

vamdc.wp6@sympa.obspm.fr: JRA1 - Interoperability

vamdc.wp7@sympa.obspm.fr: JRA2: Publishing Tools

vamdc.wp8@sympa.obspm.fr: JRA3: New mining and Integration Tools
